

Having a baby is a joyous and important milestone in one's life. At Halisi Family Hospital, we walk the journey to motherhood with you and endeavour to make this experience as pleasant and safe as it possibly can be for you and your baby.

Our team of midwives, obstetricians and paediatricians ensure that you receive high quality care in a comfortable environment.

Our Antenatal Clinic runs every Tuesday, Thursday and Saturday from 9.00am – 4.00pm. We accept advance bookings for other days as well.

We offer the following options for Antenatal Services:

### 1. Antenatal Consultation

- Antenatal consultation visits with a Midwife - KShs 1,000 for the first visit and KShs 500 per subsequent visit
- Antenatal consultation visits with an Obstetrician - KShs 3,000 for the first visit and KShs 2,500 per subsequent visit.

In this offering, you will be required to pay the usual service rates for the other services required during your pregnancy.

### 2. Antenatal Package

The Halisi Family Hospital Antenatal Package allows you to plan and prepare for the costs involved in taking care of you and your baby during pregnancy.

The Antenatal Package cost is **KShs 25,000**. It includes the following:

- Antenatal booklet
- 2 Antenatal clinic visits with an Obstetrician during the 1<sup>st</sup>/2<sup>nd</sup> visit and at 36 weeks
- 8 Antenatal clinic visits with a Midwife
- Urine analysis during each antenatal clinic visit
- 3 Ultrasound scans – before 12 weeks, between 20-24 weeks and at 36 weeks
- Antenatal Profile – HIV Test, Hepatitis B Test, VDRL Test, Blood Group and Rhesus Factor, Full Haemogram/ Full Blood Count, Urine Analysis and Fasting Blood Sugar.
- Haemoglobin level checks at 20-24 weeks and at 36 weeks
- Pregnancy nutrition supplements which include Folic Acid tablets and Ferrous Sulphate tablets (when available)
- Advice and counselling on diet, exercise, care during pregnancy, delivery, new-born and infant care, breastfeeding etc.

### Terms and Conditions

To qualify for the Antenatal Package, you **must pay the full amount in advance**. There are NO refunds for package price.

For antenatal clinic visits with an Obstetrician, you will be given appointments that are important to keep as it enables us offer timely services.

The Antenatal Package excludes the following:

- Antenatal care anywhere else other than at Halisi Family Hospital.
- Pregnancy nutrition supplements other than those specifically mentioned.
- Laboratory tests other than those specifically mentioned.
- Treatment of any illness during pregnancy – whether related to pregnancy or not, such as urinary tract infections, candidiasis, respiratory tract infections, etc.
- Treatment or laboratory tests as a result of a patient being Rhesus Negative.
- Treatment for high-risk pregnancies and complications such as hypertension, diabetes, bad obstetric history (BOH), cardiac disease, etc.

You will also be required to sign a consent form that indicates that you understand and agree to the terms and conditions of the Antenatal Package.
