

Halisi Family Hospital has designed a wellness/screening package that cover tests for an overall snapshot of your domestic staff's physical health. We offer the following:

<b>Domestic Staff Wellness Check</b>	<b>Package Cost: Kshs 2,000.00</b>
<ul style="list-style-type: none"><li>• Physical Examination with complete Medical History</li><li>• Weight, Height and BMI</li><li>• Blood Pressure Screening</li><li>• Routine Urine Analysis</li><li>• Stool Microscopy</li><li>• Salmonella Antigen Test - Stool</li><li>• HIV 1/2 Rapid Test (Optional)</li><li>• Nutrition Review and Advice</li><li>• Medical Report and Review</li></ul>	

Typically, a health screening can take 2 – 3 hours.

Any additional test(s) requested/ recommended by the doctor (based on the patient's condition) or yourself that is not listed under the package will be charged separately.
